What are reserved seats?

In the seminar hall, you may sit at any seat available in your respective ticket category. You can also reserve a seat for 150€/ticket on our webshop. When buying a reserved seat, we will dedicate a seat for you for the event days. Our staff will inform you of the seat location upon your arrival at Messukeskus.

Please note, that the seminar seat map is subject to change without notice, and specific seat assignments cannot be guaranteed.

Wheelchair Spots

We have dedicated spots for wheelchairs in the seminar hall. All areas of the event venue are accessible with a wheelchair.

Hearing Induction Loop

At the seminar hall we have a specific seating area with a hearing (audio induction) loop.
